INDEX TO PHOTOGRAPHS

BIG CREEK HYDROELECTRIC SYSTEM, COTTAGE 115
54347 Cedar Street
Big Creek
Fresno County
California

HAER CA-167-I

Photograph No. CA-167-I-14 is an 8" x 10" contact print from a film copy negative of a paper digital scan printout. The paper printouts are approximately 22" x 36" in size. No original drafted line drawings were available for HAER copy work. The scan printouts copied for this project were made from microfilm and other secondary sources. Original materials are held at the Southern California Edison Company archives, 2244 Walnut Grove Avenue, Rosemead, California, 91770.
